(g) The evidence of arrangements of tools and plants by hire/lease/buying voucher of ownership of equipment etc. required for manufacturing, fabrication, erection, pertain etc. for pre-engineered work of half of the value of bid of adequate capacity or evidence of its arrangement of possessing on hire/lease certificate required in aforesaid work duly verified by Divisional Engineer/ other State contractor will provide definite proof from appropriate authority for Tools & Plants and undertaking to install it on work site after getting letter of acceptance to be attached with the tender itself.

(j) Other Terms & Conditions of S.B.D. will be applicable.

(ii) Should have achieved in any one year a minimum annual financial turn over (in all classes of Pre-engineered construction works including pre-fab related civil engineering construction work only), volume of construction work of the amount equal to the 50% (Fifty Percent) of estimated cost of work for which bid has been invited. The turn over will be indexed at the rate of 8% for a year.

(iii) Should have satisfactorily completed as a prime contractor (or as a nominated sub contractor where, the sub-contract involved execution of all main items of work described in the bid document, provided further that all other qualification criteria are satisfied) at least one similar pre-engineered construction project value not less than 50% (Fifty percent) of estimated value of contract for which bid has been invited.

(iv) "Similar Work" shall mean a project comprising of pre-engineered construction works including related civil engineering construction and hybrid built up section, hot rolled and LGSF system as per tender works along with services like plumbing, electrical, HVAC etc., of Central / State Govt. and PSU Sector /private sector on production of supporting documents and Completion certificate issued by Employer / C.A. certificate duly supported by balance sheets and architect certification in case of private sector shall be valid.

(v) **Bidding capacity:-**

Bidders who meet the minimum qualification criteria will be qualified only if their available bid capacity is more than the total bid value. The available bid capacity will be calculated as under.

(a) Assessed Available Bid Capacity = $(A \times N \times 3 - B)$. Where, A=Maximum Value of pre-engineered including pre-fab related Civil Engineering works executed in any one year during the last 5 financial years up to March, 2017 (updated to the price level of the year indicated in appendix) taking into account the completed as well as work in progress.

N= Number of years prescribed for completion of work for which bids have been invited

B= Value (updated to the Price level of the year indicated in appendix to ITB) of existing commitments and ongoing works to be completed during the next two years & six months/ period of completion of work for which bids have been invited.

The statements showing the value of existing commitments and on going works as well as the stipulated period of completion remaining for each of the works listed should be countersigned by the Engineer-in-charge, not below the rank of executive engineer or equivalent.

(vii) The contractor or his identified sub contractor should possess required valid electrical license for executing the building electrification works and should have executed similar electrical works for a minimum amount as indicated in Appendix to ITB in any one year.

(viii) (a) Sub-Contractor's experience and resource shall not be taken into account in determining the bidders compliances with qualifying criteria except to the extent stated in para 6 (iv) above.

(b) The contractor or his identified sub contractor should possess required valid license for executing the water supply/sanitary engineering works and should have executed similar water supply/sanitary engineering works for a minimum amount as indicated in appendix to ITB - in any one year.

(c) Contractor or, his identified sub-contractor must possess certificates by competent authority for executing special type of work like- sports flooring, jacuzzi, spa etc.

(d) The rate of all N.S.I. items must be quoted (zero or vague rates must not be quoted) by contractor at specified place, in absence of it the tender is liable to be invalid.

(ix) **Joint Venture:-**

Joint venture is permitted, preferably for principal technology partner subject to fulfilment of the following criteria:-

(a) In so far as consortium/ joint venture is concerned the same may be permitted. However only two or three partners shall be allowed in which any partner should have constructed a Institutional campus etc. pre engineered permanent structure as tender document type project on composite basis (civil works along with services like plumbing, electrical installation and supply, HVAC etc.) having total built-up area not less than 5000 Sqm. or more in last 5 years up to 31.03.2017 with Completion certificate issued by Employer shall be valid.

(b) Lead partner should have completed one similar work in the last 5 years up to March, 2017 of the cost not less than the amount equal to 60% of the estimated cost put to tender and other partner should have completed one similar work in the last 5 years up to March, 2017 of cost not less than the amount equal to 40% of the estimated cost put to tender. The financial turn over criteria can be jointly meet by the joint venture partners. However the share of lead partner should be at least 50% and for other partner it should be at least 25% and should jointly fulfill the 100% criteria.

(c) The successful joint venture bidder will have to form a company under Company Act, before issue of letter of acceptance. This company would get into agreement with BPBCC for the execution of the work.

16. Agreement shall be drawn with the successful tenderer on prescribed agreement form., which is available as a Govt. of Bihar Publication.
17. Other details can be seen in NIT down loaded from website- www.bpbcc.co.in/ www.eproc.bihar.gov.in or on the notice board of undersigned office or by meeting the undersigned or any working day in working hour from **12.06.2017**.
18. Date of opening of financial bid will be intimated later through website www.eproc.bihar.gov.in or from the office of the Chief Engineer, Bihar Police Buildings Constructions Corporation, Patna.
19. The site for the work is available.
20. The time allowed for carrying out the work will be 3 months after the date of written order to commence the work.
21. No claim shall be entertained on account of disruption of internet services being used by bidders.
22. The B.P.B.C.C. reserves the right to extent or reject or cancel any prospective application/tender without declaring any reason.
23. Corrigendum if any will be published on the website www.eproc.bihar.gov.in
24. Each bidder shall submit only one bid for work. A bidder who submits or participates in more than one Bid (other than as a sub-contractor or in cases of alternatives that have been permitted or requested) will cause all the proposal with the Bidder's participation to be disqualified.
25. The bidder shall bear all costs associated with the preparation and submission of his Bid, and the Employer will in no case be responsible and liable for those costs.
26. The Bidder, at the Bidder's own responsibility and risk must visit and examine the Site of Works and its surroundings and obtain all information that may be necessary for preparing the Bid and entering into a contract for construction of the works. The costs of visiting the Site shall be at the Bidder's own expense.
27. Tender documents are not transferable.
28. All measures are to be taken to make the construction activities Environment friendly and achieve the tag of Green campus as per NBC 2005 and GRIHA norms.
